#TakeBackTheTech - 9 October

“What impact does online violence have on women and girls? Use #takebackthetech to contribute examples to #IGF2015 <http://hdtk.co/HcK7D>”

On October 9, we called for a tweet chat on what impacts online violence has on women and girls. The [#TakeBackTheTech](#) hashtag was quickly swarmed with hateful comments. You'll find below a summary of the relevant contributions to the discussion.
